Exclusive Family MUSTANG Club in Evans joins CSRA Mustang Club !

At the June 12th CSRA MC Show, the Meyers family joined our club. Little did we know that John had his own Mustang Club that is a family affair. Dad (John Meyers, 49 years young) is a General Manager, Business Development for NuVision Engineering. John works out of his home and develops business in the nuclear industry, primarily in support of the Savannah River Site and Oak Ridge National Lab. His ride is a Black w/Black Leather 2008 Mustang GT, Manual 5-Speed, 4.6 Liter V-8, Roush Rear Spoiler, Custom Exhaust. Daughter (Julia Meyers, 15 years old) first car is a Red w/White Stripes 2000 Mustang, Automatic, 3.8 Liter V-6, Cobra Rims. Julia is a student at Greenbrier High School and will turn 16 in November of this year. She loves to paint and hang out with friends. (This was Ben's first car, which he got when he turned 16, and now it is Julia's.) Son (Ben Meyers, 18 years old) is piloting a Dark Red w/Black Leather 2003 Mustang GT, Manual 5-Speed, 4.6 Liter V-8, 2004 SVT Rims, Flowmaster Exhaust, K&N Cold Air Intake. Ben graduated this year from Greenbrier High School. He will start a pre-engineering program at ASU in the fall. Ben wants to be a commercial airline pilot and has already begun attaining his private pilot's license. He will enter the Air force and flight school once he graduates from GA Tech.

Please say hello to some of the newest CSRAMC members and I have one question for John..." Will you buy me one? " Welcome to the Club !!

MCA Revealed.....

Ford Special Pricing for MCA Members

Steven McCarley president of the Mustang Club of America announced MCA members will soon be eligible for Ford's special pricing X-Plan on new Mustangs, Flex, Taurus, F Series Trucks or almost any Ford vehicle. This program is still under development but will be available soon. Also, the new MCA addition Mustang is available from your Ford dealer now. I wonder how many club members will be trading their 2005 – 2009 Mustangs in for one of the new 412 Horsepower 2011. Tempting isn't it?

Some of our members have already done this and did get great deals. So if you are thinking about a new vehicle.....

2010 Car Show Schedule

MCA National Show Schedule

August 13-15 Virginia Beach

September 3-5 Asheville, NC*

The Asheville Show is booked up with around 450 cars. Now, if you want to go as a spectator and attend the evening events and the Biltmore Estate there is a registration form. The cost varies depending on what events you would want to attend. See Mike Morrett or Billy Rogers for registration sheets. This will be a fun event and all club members are invited.

How is My Car Judged

Everything you have always wanted to know about how the MCA judges your car is on the MCA Website under "MCA judging" section.
