

# March 2010

From the President:

Well it has been a short month just 28 day seems like last week we had our February meeting. If you missed it shame on you. I do not have a lot at this time.

I know we all should be getting ready for the show season. Hope all of us get to be in the Ashville show (only 400) it may be full by now the way they are filling up so get your registration in now.

I know Mike will have more on our show. He will need volunteers.

At the last meeting I asked for everyone to be thinking about a Charity. I have had one suggestion. Let's have our thoughts ready for the meeting.

We have extended the club renewal deadline thru to the March meeting date, March 4th. Thanks if you have renewed your club membership; if you have not do so now. **If you have not, this will be your last newsletter.** You may say this is the wrong way to do things. If so I'm sorry, 3 months should be long enough. I want everyone to renew their membership.

I think we got the Web Site worked out. Come to the meeting at Evans Diner on March 4, 2010 at 7:00 PM to find out how.

See all @ Evans Dinner

### Notes From The Treasurer:

Several members have not turned in their membership renewals. These are now past due. We have extended the cut-off date to our March meeting. After that, all members who haven't renewed will be removed from our membership with no exceptions.

Either mail your renewal to: CSRA Mustang Club, PO Box 211726, Augusta, GA 30917, so it will be received prior to our next meeting or come to the March meeting prepared to pay your renewal.

Thanks *Lynda Blackstock*
